

## **Director, Nursing – Foothill De-Anza Community College District**

Full Salary Range: \$117,184.10 - \$164,889.80 annually (based on education and experience).

Initial Review Date: 5/19/21

The Director of Nursing serves as the manager and program planner for a variety of instructional and learning support services related to the College's Nursing Department. This position is responsible for local leadership and management of departmental programs and fostering an equity-minded, collaborative environment to facilitate program and student success. Responsibilities include budget development and management, oversight of curriculum requirements and directing the program per Board of Registered Nursing requirements.

Education and Preferred Qualifications: Master's Degree in Nursing; course work in nursing practice, education, or administration; 1 year of experience as a nurse administrator; 2 years of experience teaching nursing in pre-or post-licensure nursing program; 1 year full time experience providing direct patient care as a registered nurse in a health care setting.

Must have a current, valid license to practice as a Registered Nurse in California and meet the California Board of Registered Nursing approval standards for program director.
